Leonardo Classico™ 36" Dual Convection Oven

FULGOR USA

Product Description:

In the spirit of Da Vinci, this oven was sculpted from that seemingly infinite curiosity that can only be squelched by breakthrough ingenuity. Available in sizes up to 36 inches, it promises to be a culinary masterwork with even greater significance.

Company Description:

Sculpted inquisitively by hand, each Fulgor appliance is designed to challenge tradition. Vanguard to breakthrough illuminations as pyrolytic cleaning, true convection and glasstop cooking, Fulgor has been the inspiration behind culinary masterwork for 60 years.

Awards That This Product Has Won:

2007 Platinum ADEX – Leonardo 30" Single Oven for 3D Handle Design

Product Notes:

THE CHOICE OF ENLIGHTENED HOME CHEFS: The future of your kitchen requires confidence that the appliances you choose today will meet your needs tomorrow and beyond. You deserve only the best Fulgor has to offer.

FULGOR ILLUMINATIONS are the hallmarks of every appliance Fulgor makes. From cutting-edge performance, safety and environmental features to award-winning aesthetics and engineering, Fulgor outshines other appliance manufacturers right down to the very last detail.

BLUE-CHIP STANDARDS are the foundation of every Fulgor product – not upgrades or add-ons, like many of our competitors. These features are not only the highest quality available, but also offer the level of technology discriminating customers require for their home and family.

BEST IN CLASS 2+1 WARRANTY: Since our inception nearly six decades ago, we have stood behind every product we've produced. We believe our high-performance appliances will stand up to the rigorous challenges of life at home. And to prove it, we offer the industry's best-in-class "2+1 Warranty" for all major appliances. Two years full parts and labor, plus a \$50 service voucher to defray costs for one technical failure repair, if needed, in year three.
