**LA SCAPPI Electric Outdoor Grill**

June 10, 2008

Introducing their portable ceramic glass grill to the U.S. this summer, Fulgor promises to elevate outdoor cooking to a whole new level of culinary excellence. LA SCAPPI combines unique radiant-heat technology with the world-renowned Schott Ceran Ceramic Glass for flexible, precise and consistent performance each and every time. LA SCAPPI is designed to cook a variety of foods directly on the durable, easy-to-clean glass surface. For more information, call 800-926-2032.
